We are part of the GK family

Leading Sustainable Growth

GK boasts a long and solid history in innovative and sustainable business development, beginning 50 years ago in Pakistan and expanding to Honduras in 1991, with specialist expertise in textiles and real estate development. We are one of the largest real estate developers in Central America and Mexico, offering land planning, design, and turnkey construction services for residential, industrial, commercial, and hospitality sectors.

Our clients are our strategic partners, our people are our most important resource, and our customer experience services never fail to exceed expectations. We help local communities to thrive by supporting local education and by creating valuable job opportunities for talented, young, bilingual people across the Americas.
